

Healing Through Art Therapy

Experience the power of your creativity through art therapy, relaxation and guided imagery. This group provides opportunities for reflection and personal growth while creating with a variety of art media and approaches. No experience is necessary, just a willingness to explore and be a part of a supportive, creative community.

This group is for those currently in treatment, out of treatment within 2 years, caregivers and bereaved within 2 years. Registration required at least one week in advance.
